## 168 Get Degrees At Annual June Commencement

### Dudley White Receives Honorary Law Degree

One hundred sixty-eight graduating seniors and Congressman Dudley White received degrees at the annual commencement in the University Auditorium last week.

The college of Education took the lead in the number of degrees being given, conferring 122 degrees of bachelor of science in education. The College of Business Administration gave 23 degrees of bachelor of science in business administration, and the College of Liberal Arts gave 22 bachelor of arts degrees. Two graduates received the degrees of bachelor of science.

Mr. White received an honorary doctor of laws degree. Congressman from the thirteenth Ohio district, White was given the honor for his outstanding work in his Washington post. He started early in life as a newspaper man and never took college work.

He is publisher of the newspaper at Norwalk, his home town, and is influential in newspaper circles in northwest Ohio. The degree was conferred upon him by Dr. F. J. Prout.

Dr. Samuel W. Grafflin of White Plains, N. Y. gave the commencement address. Rabbi Leon Feuer, of the Collingwood Temple, Toledo, gave the baccalaureate sermon.

## 872 Students Enroll For Summer School Session

Registrar C. D. Perry announced yesterday morning that 872 students had registered at that time for the summer school of eight weeks.

This figure includes both graduate and undergraduate enrollment and is slightly lower than the enrollment last summer.

Forty-five students have enrolled in the summer band school.

### Library Hours

The library will be open from 8:00 A.M. to 10:00 P.M. from Monday through Thursday, and from 8:00 A.M. to 5:00 P.M. on Friday. Saturday hours are 8:00 A.M. to 12:00 noon. Reserve books will be checked for overnight at 9:00 P.M. on Monday through Friday, and at 11:00 A.M. on Saturday. Since overnight reserves are due at eight o'clock the following morning, a student assistant will be in charge at the loan desk to receive these returns from 6:50 A.M. on for the convenience of those students who have both a seven and eight o'clock class.

CECIL LEESON

## Dormitory, Infirmary Plans In New Building Program

Two new buildings will be completed on the campus this fall if present plans made by the University administration and the Board of Trustees materialize.

Plans have been made and preliminary steps have been taken toward the construction of a new women's dormitory and a University infirmary. Both buildings will be subsidized by W.P.A.

The Infirmary plans call for a \$40,000 structure with modern facilities for hospitalization and accommodations for 20 beds. The exact location of the infirmary is as yet uncertain. Original plans were to locate it on the drive between the two women's dorms. Recently substantial rumors have been circulating that the building may be built back of Kohl Hall on the drive to the power plant.

The second building under consideration is a \$45,000 cottage-type women's dormitory. The new building will accommodate 32 to 48 women and will be located on Thurstin Ave., directly north of Shatzel Hall. Room rent will vary from \$2 to \$2.50 per week.

Facilities in the new dormitory will include kitchen accommodations for parties and breakfast. Daily meals will be taken outside the dormitory, probably at Shatzel Hall. Four rooms will have double deck beds and the others will be double rooms with single beds.

## C.A.A. to Provide Training For 45 Student Flyers

The Civil Aeronautics Authority will provide flying instructions to 45 Bowling Green State University students this summer, according to the program announced by President Frank J. Prout. The classes opened June 10 and continue to Sept. 10.

The course will be supervised by Major J. K. Raney, who will instruct the ground work phases and Mike Murphy of the Findlay airport will handle the flying course. The course consists of 35 hours in the air and 72 hours ground work, covering theory of flight, aircraft and design, civil air regulations, navigation, meteorology, etc.

## Dr. Ogg Will Head Library Until Librarian Is Named

Dr. E. C. Ogg, chairman of the Library Committee, will have general supervision of the library during the summer term until a new librarian is appointed by President Frank J. Prout to succeed Edmon Low.

Mr. Low recently resigned his position here as head librarian to accept a similar position at Oklahoma A. & M. College at Stillwater, Oklahoma.

Lloyd Long, a student assistant for the past three years, will be in charge of the loan

## Saxophonist Billed For Initial Assembly Today

### Cecil Leeson, Nationally Known Artist Will Play Classical Compositions On 'Swing' Instrument

Cecil Leeson, saxophone recitalist, will be heard this morning in the University Auditorium at 10:15 in the first assembly program of the summer according to Prof. John Schwarz, chairman of the entertainment committee.

Leeson is not a jazz player. The novelty of hearing classical music in a saxophone recital has brought him national fame. Leeson has proved that the instrument that is the backbone of swing bands can be used successfully to interpret the great composers of classical music, and that its possibilities are far more extensive than is generally supposed.

His musical education was obtained at Dana Musical Institute, Warren, Ohio. He has toured extensively in concert and has been soloist with the New York Philharmonic Symphony, the Rochester Philharmonic, the Montreal Symphony and L'Heure Symphonique De La Societe Radio-Canada.

This year he is programming the new Concerto Opus 97 for Saxophone and orchestra by Edward Moritz, as well as the same composer's Sonata Opus 96 for Saxophone and Piano, and Paul Creston's Sonata Opus 19 for the same combination. He also plans to perform a number of smaller, original saxophone compositions by Josef Wagner, Mana-Zucca and Bernard Brindel.

Leeson will be accompanied by Josef Wagner at the piano.

## Carmichael Returns From Absence Leave

Prof. J. W. Carmichael recently returned from a semester's leave of absence to teach at Summer School.

He was granted a leave of absence in January in order to be with his wife who was in Tucson, Ariz. for her health.

Mrs. Carmichael did not return but it is expected that she will be in Bowling Green with her family soon.

## Seven Programs Are Planned For Summer Term

### Schedule To Include Lectures, Musical Numbers

Seven outstanding musical and lecture programs are planned for the summer entertainment series and assembly meetings according to Prof. John Schwarz, chairman of the entertainment committee.

John Roscoe Pound, Dean Emeritus of Harvard Law School, and one of the nation's most profound writers and teachers of the philosophies of law, will lecture here June 26.

An organ recital by Robert Campbell will be heard July 3. The Program of July 10 will be a concert by the Vera Kemp Ensemble.

Dr. and Mrs. Joseph Roucek, Czechs, will give a lecture and recital, their material coming from the former central European republic, July 17.

Will Irwin, famous newspaperman and author of several books, including *Propaganda and the News*, will lecture on world affairs July 24.

The last program of the season will be a lecture by Alexander Meiklejohn, July 31.

## Smith To Direct Special Speech, Drama School

A special Summer School of Speech for high school students will be conducted on the campus for five weeks beginning June 24 under the direction of Prof. Elden T. Smith of the speech department.

Twenty-two students throughout Ohio were selected through scholarships to enroll for the course. Only students with superior ability in dramatics or oratory were awarded scholarships, Professor Smith stated. During the summer period the students will produce a three-act play for which they will design the stage set and learn all important phases of dramatic production.

Students will live in dormitories and will have access to all recreational facilities on the campus.

## University Looks Forward To Greater Achievements...

The University welcomes you back to Summer School. Several significant changes have occurred during the past year and the University has grown culturally, socially and in size.

You probably remember a few years ago that Bowling Green seemed to be destined to remain a small town college and a Normal School. However, current changes and advancements indicate that your Alma Mater will become one of the most outstanding institutions of higher learning in the state and middle west.

Fired with its youth, eager to take its place among the established schools, and directed by a progressive and vigorous president, Bowling Green has emerged from its local shell and is ready to give Ohio's youth a well rounded education and professional training.

The record breaking enrollment of last fall indicated that Bowling Green definitely has something to offer.

The \$500,000 building program completed last year increased the number of buildings one-third and with the completion of the natatorium and women's gym, Bowling Green acquired the most fully equipped physical education plant in the state.

This year marked the initiation of magna cum laude and cum laude honors for the top-ranking seniors. The administration has indicated a policy which will be turned toward improving and raising the scholarship throughout the University.

The athletic program is definitely on the upward trend with varsity teams making impressive records in football, basketball and track.

Students may look forward to a greater emphasis on scholarship, an improvement of the University's academic standards, an enrollment of 1800 in the fall of 1940, a better organized fraternity and sorority set up, a healthy distribution of extra-curricular activities and greater athletic teams playing larger schools in higher leagues.

With such an outlook for the future, Bowling Green State University shall continue to improve and continue to give Ohio's young men and women the training and preparation they need to take their places in a democratic nation.

## If U. S. Must Help England, Let It Be Supplies—Not Men...

With the crushed French nation in the hands of the Nazis, dictators running rampant over war-torn Europe, the impregnable British Empire threatened with extinction at the hand of "Blitzkrieg" Hitler, the United States faces the greatest national crisis since the first World War.

Hitler without a doubt will carry the campaign to the British Isles in his unhesitating sweep through the continent, after he has wrought a satisfactory peace from the French. The British are shivering in their boots, and rightfully so since they, as any other nation, are vulnerable from the air, the key to Hitler's lightning war.

The question in the minds of most Americans seems to be changing from "Will we get into the war?" to "How soon will our men be in Europe?" Such an attitude, coupled with twentieth century propaganda and fifth column work are the factors which will get us into the war when it is unnecessary.

England doesn't need our men. She is unprepared. She needs machinery, war material and supplies. Since it is to our continued welfare that she should win the war, it is imperative that the United States should lend all the aid necessary to stop Hitler short of entering the war. There is no need to repeat the slaughter of American youth. The United States, if it must lend aid, can do more toward terminating the war by sending materials and supplies than by sending men.

## University Shows Year Of Progress

### Term Marked By New Advancements On Campus

Sept. 17—Six hundred freshmen registered to set new record with total enrollment reaching 1450. Four new full-time members of the University faculty began work: J. M. Cadwallader, accounting; B. F. Peirce, supervisor of teacher training; Paul F. Muse, business administration; A. B. Conklin, dean of men.

Sept. 23—Two thousand heard the United States Navy Band under the direction of Charles Benter in the Men's Gym.

Oct. 4—Civil Aeronautics Authority of Washington, D. C. named Bowling Green as a center of instruction for student flying. The course under J. K. Raney was given to 25 students.

Oct. 11—Mildred Wolfe, freshman, was elected homecoming queen.

Oct. 20-21—Annual Homecoming celebration attracted 2050 to campus. Dr. Frank J. Prout was inaugurated in impressive ceremony. Falcons won homecoming game with Otterbein.

Nov. 17—Prof. Upton Palmer, dramatics instructor, opened the drama season with "Bury the Dead", satire on war.

Dec. 3—President Frank J. Prout spoke over station WTOI to open University's first broadcast series. Total of 20 programs were given over the air during both semesters by the University.

Dec. 7-8—Howard Shine, senior from Fostoria, starred in brilliant performance of Thornton Wilder's "Our Town."

Jan. 5—University's new \$110,000 Natatorium was dedicated in a colorful program.

## For Today

To stand thus, on moss-grown, rocky land  
Watching the nibbling waves bite at the sand  
A little way below:

To feel the pressure of earth-scented wind,  
The live warmth from static sun impinged  
Upon a blue backthrow;

To cast away this vicious-cyclical mood,  
Resign myself to peace and gratitude  
And ecstasy! I know

The tumult that is life! I hear and see  
And taste and smell and feel.  
There is in me  
The power to face life's test!

Yes, this is exultation; this is good.  
And knowing it cannot be understood  
Nor found by mental quest,

I simply take this moment that has come  
And squeeze each laden second for its sum  
Of over-potent zest!

BETTE BRADLEY

## At The Cinema

CLA-ZEL . . .

"Dr. Erlich's Magic Bullet", starring Edward G. Robinson, will play here tonight and tomorrow night. Story of the life of the famous scientist. Recommended.

A double feature, showing "Stagecoach War" and "In Old Missouri," will play Friday and Saturday. The first is a "Hop-along" Cassidy western thriller and the second is a hill-billy comedy starring the Weaver brothers, Leon and Frank and their sister June.

"Mortal Storm," showing June 23 and 24, is about a family caught in the upheaval of a political storm. Pic stars Margaret Sullavan, James Stewart, Robert Young, Frank Morgan.

Warner Baxter is "Earthbound" in the picture of the same name billed for June 25. Murdered in a love triangle, he remains a ghost on earth until the real murderer is found. Unusual.

LYRIC . . .

The colorful, romantic days of minstrels and river boats are brought back in "Swanee River," here tonight and tomorrow night. Stars Don Ameche, Andrea Leeds, Al Jolson in technicolor, in the story of Stephen C. Foster. Music, Romance, Drama. Recommended.

Six shooters blaze over a silver mine in Columbia's "Blazing Six Shooters" Friday and Saturday, starring Charles Starrett.

Peter Lorre, suave artist of the screen, comes to the Lyric in "Island of Doomed Men" Sunday and Monday. Lorre is the iron handed boss in a diamond mine where the only escape is death. Rochelle Hudson, Robert Wilcox in supporting cast.

Ohio State's famous swimming team appeared in an exhibition as part of program.

Jan. 19—New Women's Gym was dedicated in an open house program.

Jan. 29—Elden T. Smith, former manager of the Duncan Mabley marionette show at the New York World's Fair, was appointed instructor in speech by President Frank J. Prout.

Feb. 14—Board of Publications, composed of four students and four faculty members was given the power to appoint directly the editors and business managers of the Bee Gee News and the Key.

Feb. 17—Bernie Cummins, well-known Chicago Edgewater Beach Hotel orchestra, played at the annual junior-senior formal in the Reception Hall.

Feb. 2—The Treble Clef Club under the direction of James Paul Kennedy opened a second broadcast series over station WSPD, Toledo.

March 7-8—"Room Service," hilarious comedy by John Murray and Allen Beretz, played to the largest audiences ever to see a University production in a two-night stand. Directed by Elden T. Smith, the play was a smash hit.

March 1-2—Bowling Green was host to the Ohio Conference Swimming Meet. Seven colleges and Universities of Ohio competed in the University's new Natatorium.

## Positions Open On B. G. News Editorial Staff

All students interested in working on the Bee Gee News during the summer term from June 19 to August 9 should call at the News office on the first floor in the Library for an interview with Tony Frances, editor.

Frances was appointed editor of the Summer School paper by President Frank J. Prout during the second semester. Six issues of the paper will be published during the summer term, Frances stated. The complete editorial and advertising staffs have not been appointed and there are a number of positions open the editor said.

March 31—The Treble Clef Club, under the direction of James Paul Kennedy, and the Men's Glee Club, under the direction of Prof. Leon Fauley, began their annual spring tours. The Treble Clef traveled through Ohio, Pennsylvania, New York, and New Jersey and broadcast over station WTAM, Cleveland. Accompanied by the University Varsity Quartet, the Men's Glee Club toured Ohio, singing on the average of three concerts a day.

April 8—The internationally famous Don Cossacks made their second appearance in Bowling Green, singing to a capacity audience in the Men's Gym.

April 20—George Hall and his NBC orchestra, featuring Dollie Dawn, played at the inter-fraternity informal dance in the Men's Gym.

April 17—President Frank J. Prout announced that two students from South America would enter Bowling Green State University on scholarships this fall.

April 24—Gene Lewis, senior from Willard, was elected May Queen in a hotly contested campaign.

April 24—A new social fraternity, Beta Gamma Upsilon, was chartered and officially recognized by the inter-fraternity council and the University administration.

May 3—Fifteen hundred high school students swarmed the campus to take the annual district state scholarship tests with Dr. Clyde Hissong, dean of the

## Sport Sparks

By BOB BARON

If you are the type of student who seldom allows his academic work to interfere with his recreation you're probably open for suggestions on what to do with yourself outside of the classroom.

Being a sports writer, allegedly, I'm of course, suggesting some sort of physical recreation. I realize that the suggestion of any type of physical exertion to you teachers (80 per cent of you are teachers, theoretically) is quite bold, but, after all, most of you are still young enough for war service and you really ought to be able to throw a few hand grenades without spraining a shoulder; so why not limber up this summer?

### FUN FOR EVERYONE . . .

It has been announced that the complete facilities of the physical education departments will be open for summer school. This means you can choose from the campus sports menu—swimming, tennis, handball, horseback riding, baseball, horse shoes, shuffleboard and table tennis. Here's a tip on table tennis: the best tables, regulation Detroiters AA, are in the Women's Gym. Men can use them.

Off the campus there is also very much to keep your minds off your studies. Of course you remember the Portage stone quarry. The water is swell this summer and it's the highest in 20 years. A dive from the highest point around the quarry will hardly amount to more than a "belly smasher" these days.

### HAVE YOU BROKEN 100?

For golf addicts the nine-hole B. G. Country Club is open as well as Riverby Hills course at Waterville. You can play all week-day morning at the local course for 25 cents; afternoons, 18 holes for 50 cents. Riverby's green fees are 55 cents for 18 holes on week days and after 4 p.m. the charge is reduced to 35 cents.

If you want to improve your game genial Paul Landis, the local pro, will give you the low down on how to break a hundred . . . for a nominal fee.

### DID YOU EVER ROW A BICYCLE? . . .

That's funny, we rode one once. If you like cycling, you can rent bicycles at Yoder's Service Station right across from the Parrot. The fee is 25 cents per hour.

And, by the way, should you happen to become a victim to inebrius sombrorius (sunburn to you) watch for drug store advertisements in the Bee Gee News concerning the newest relief lotions.

Keep Trim . .

Rent-A-Bike  
25c an hour

## Riding School Available For Summer Term

### Offers 12 Lessons For \$5; Riding At Night Under Lights

The Hedden Riding School located at the old University Farm will be available to all summer school students according to H. C. Hedden, instructor.

Mr. Hedden offers 12 lessons for \$5. Students may sign up now or at any time during the summer he said. The Hedden School owns some of the best school horses in the state and upwards of 200 students have ridden at the stables during the last semester.

Riding hours will be from early morning to 9:30 a.m. and beginning again at 6 p.m. No horses will leave the stable between the hours of 9:30 a.m. and 6 p.m.

The school has installed night riding to further combat the summer heat for the benefit of both horses and the riders. The rink will be open every evening with flood lights.

Mr. Hedden also stated that he has an excellent selection of riding habits for both men and women. Boots are available on order.

Mr. Hedden, riding instructor for the University, taught several classes during the past year and put on a gymkhana March 16. The show was held at the stables on E. Wooster St.

Mr. Hedden said that he was planning several shows this summer.

Hunter College has more students than any other women's college.

Colgate University's budget has been balanced for 17 consecutive years.

## Budd Cox Announces Swim Schedule In Natatorium

Facilities of the new \$110,000 University Natatorium, put into operation during the past year, will be available to Summer School students for both recreational and instructional purposes according to a statement from M. Budd Cox, swimming instructor.

The University will furnish sterilized suits, towels, and all other equipment except bathing caps, upon payment of a \$2 fee. Bathing caps are the only personal furnishings permitted in the pool. Caps for both sexes are on sale now at the Natatorium.

Privilege cards were granted to students wishing to swim in the Natatorium for recreational or instructional purposes on registration day. The cards must be presented at the pool to gain entrance.

A daily swimming schedule has been posted by Mr. Cox, indicating swimming classes for credit, and periods for recreational swimming for both sexes, faculty children and faculty members.

Personal instruction will be given upon request during any period. Arrangements can be made with Mr. Cox.

## Hedden Students To Ride In Demonstration

H. C. Hedden, University riding instructor from the Hedden School of Riding on E. Wooster street, will appear with several of his students in a riding demonstration at Upper Sandusky, O., Saturday and Sunday.

Hedden expects to take seven head of horses with him. He will demonstrate the fundamentals of riding, illustrating the correct and incorrect methods in the great sport.

Reindeer, Hedden's trick horse, will be on hand to go through his bag of 23 tricks. The Bowling Green instructor will also show three-gaited and five-gaited horses.

Students who will appear with him are Mary Frances Church, Glendora Woods, and Mary Louise Gibson. They all were students at the University last semester.

The University of Kentucky archaeological museum contains 2,100 Indian skeletons.

A seven and one-half pound baby boy, Paul David, was born to Mrs. John Bunn in the Lorain Hospital, Lorain, O.

Mrs. Bunn has been at the home of her parents during the past several weeks while Mr. Bunn, instructor in the University's extension service, has been meeting classes here and assisting in the registrar's office.

Mrs. Bunn is reported as doing nicely and will return to Bowling Green in two weeks. The Bunnns have been living at 127 Troupe avenue.

## SOFTBALL NOTICE

Softball fans and prospective players will be disappointed to learn that plans for an intramural league probably will not materialize.

Physical education director Paul E. Landis stated that the summer heat wave soon due in these parts would discourage all but sun-tan hounds from such activity.

## Van Wert Man Elected Head Of B. G. Alumni

**Supt. C. D. Fox Succeeds  
Ralph A. Schaller  
As President**

C. D. Fox, Van Wert school superintendent, was elected president of the Bowling Green State University Alumni Association at the group's annual picnic and reunion here Saturday evening. M. M. Mercer, Bowling Green; Dolan Bain, Marion, and Horace Pelton, Berea, were named vice presidents, and Mrs. Melva Gibson Rockwood, Bowling Green, was chosen secretary.

President R. A. Schaller presided at the informal dinner where more than 150 plates were served. Miss Harriet Hayward and Prof. W. P. Holt were honored at the dinner for 25 years of service while the class of 1916 also was honored. Mrs. C. E. Mahaffey of Rudolph spoke for the class.

Miss Esther Hardy, of Fremont, spoke in honor of Miss Hayward and Prof. Holt. President F. J. Prout spoke briefly of the future of the university.

A constitution was read and adopted and the officers elected. The group greeted the class of 1940 and Arthur Shanley responded for them.

A complimentary performance of "The Taming of the Shrew" was presented in the auditorium.

## Year In Review

(Continued from page 2, col. 3)

College of Education, in charge.

May 15-16-17 — Richard Jaynes, freshman, and Welda Berlincourt, senior, starred in Shakespeare's comedy, "Taming of the Shrew." Another successful Smith production.

May 17—Gene Lewis was crowned Queen of May in the most colorful and complete program in the history of the University. The Queen rode in a horse-drawn Victoria carriage to the outdoor amphitheatre where the coronation took place. Movies in technicolor were ta-

## Steidtmann Is Named Instructor At Michigan

Dr. Waldo E. Steidtmann, associate professor of biology, has been invited to be a member of the summer school faculty at the University of Michigan.

Dr. Steidtmann will have charge of general botany and will teach an advanced course in cytology at the University. He received his doctor's degree in botany at the University of Michigan in 1935.

Mrs. Steidtmann and the two children, Sally and Jimmy, will live in Ann Arbor with Dr. Steidtmann during the summer term.

ken of the entire ceremony.

May 24-25—Bowling Green was host to the Big Six track and field meet in which 20 Ohio colleges and Universities competed. Bowling Green took fifth place with Oberlin winning the meet. Last year Bowling Green placed tenth in the same meet.

May 17—Honors Day was initiated here as part of the May Day celebration. The day, to become an annual tradition, is designed to give recognition to students of high scholastic achievement and to those who have made notable social and cultural contributions to the University during the current year.

June 10—One hundred sixty-eight seniors received degrees at the annual commencement. Dudley White received an honorary degree of doctor of laws. Dr. Samuel W. Grafflin of White Plains, N. Y. was the commencement speaker and Rabbi Leon Feuer of the Collingwood Temple, Toledo delivered the baccalaureate sermon.

## Overgard Will Conduct Band Tomorrow At 8

**Concert May Be Held  
In New Outdoor  
Amphitheater**

Graham T. Overgard, guest conductor from Wayne University, Detroit, will conduct a concert by the Summer Band School tomorrow evening at 8 p.m. The concert will be played either in the outdoor amphitheater or in the University auditorium depending on the weather.

The concert is free to all University students and will feature several soloists and a cornet trio.

The summer Band School is now in its second week and has 45 students enrolled according to Prof. Charles F. Church, Jr., director. The enrollment includes high school, graduate and University students. Enrollment for the final two weeks of the term will still be open Monday, June 24, Professor Church said.

Three more concerts will be given before the Band School closes July 6.
